

MANOR MUNICIPAL COURT COMMON QUESTIONS

What are OMNI Fees?

OmniBase is a central database for municipalities and counties contracting with the Texas Department of Public Safety's Failure To Appear Program (FTA). The program is authorized by Chapter 706 of the Texas Transportation Code and provides collection enforcement by restricting a violator's ability to renew their driver's license due to outstanding violations.

For more information regarding OmniBase you may visit their website at www.omnibase.com or you can look up outstanding case files at [Texas Failure to Appear Website](#).

If you received a letter from the Texas Department of Public Services and they indicate you obtained a citation from our court, please contact the number provided in the notice. The notice is most likely advising you that you received a citation against the Driver Responsibility Act and you will incur surcharges. You may want to visit the [Frequently Asked Questions site](#).
