

## **MANOR MUNICIPAL COURT COMMON QUESTIONS**

### **What are the consequences for not appearing by the appearance date, paying on my payment plan, or not turning in required documents?**

All violations listed on tickets given are considered Class C Misdemeanors. Negative consequences begin immediately after the appearance date on the citation if an option has not been provided by mail or in person to the court.

An example of a typical traffic offense that resulted from a negative consequence will result in the following: Fine amount maxed, warrant fee added, collection fee added, and reported to TxDPS to withhold Driver's License renewal and fee added.

Juveniles will be issued an order of Non-Secured Custody. Parents may also be held responsible.
