

MANOR MUNICIPAL COURT COMMON QUESTIONS

Explain Fine and Court Costs?

A fine is assessed by the Municipal Court Judge for each violation written and court costs are assessed by the State of Texas. Each violation will differ between fine and court costs. (See the Common Offenses Tab)

The maximum fine amount for **MOST** traffic offenses is \$200.00 and City Ordinance violations can carry a fine up to \$2,000.00.

The City of Manor Municipal Court holds contracts with vendors to locate violators that have failed to make an appearance or satisfy a judgment. We use Collection Agencies, Police Officers, and the State of Texas Omnibase in which these fees are **Non-Refundable**.

If you are **found Not Guilty** in a trial, the fine and court costs will not be assessed against you.
